Serving The New England Industry Since 1945

Our Inventory Includes

Angles
Channels
Flats, Strips/Truebar
Rounds - HR & CR
Squares
Plates
Handrail
Expanded Metal, Sheets
Ladder Rungs/Grip Strut
AR 400F Plates & Flats
AR 500F Plates
Galvanized – Angles,
Pipe & Channel

Diamond Plate
Aluminum Diamond Plate
Pipe
Beams
Square Tubing
Square & Rectangular Tubing
Galvanized Awning Tubing
Expanded Metal
Grating
Reinforcing Rods
Wire Mesh
Sheets – HR, CR &
Galvanized

Processing

We provide a full range of cutting & processing services from one piece to multi-piece production. Shearing, Saw Cutting, Drilling – on a CNC Drill line – Punching, Bending (including rebar), and both High Definition Plasma and Oxy Flame cutting of plates and sheets.

**ANY METAL ITEM NOT LISTED ABOVE
IS AVAILABLE UPON REQUEST.**
